BULLETIN

March 1971.

Bulletin No.12.

Special Notice.

After this month the Bulletin will be issued every TWO months, so keep your Bulletin by for dates and reference.

The next issue will be in May.

There were 17 present at the General Meeting on March 12th., and a welcome was extended to our new members - Monique Dalton and Chris Perdue. As the Social meeting at the French's was so successful it was decided to have the Annual General Meeting on Sunday, May 9th., at Carol Perdue's. She will kindly provide tea if we each bring a mug and some cakes. (See Notice). We hope to have Mike Aston from Oxford City Museum with us to give a talk on Field Work - if he can get away.

Evening Class. Please keep up the very good attendance on Fridays. Fee of £1 - 50p now due. Next class - May 7th.

Recent Work. A new site has been found in a field at Little Milton and a mixture of Roman and Medieval pottery collected. Further visits to be arranged and a Report Card sent to the Museum.

Don Benson of Oxford Museum is sending instructions on sites he would like us to check, and we hope to follow this up.

Please keep your eyes open for anything of interest, especially at Road Excavations etc.

Next General Meeting April 16th., at The Thatched Cottage.
